

RAYASTRA'S SCHOLAR PROGRAM

Subjects: English, Hindi, Maths, Science, Social Science, GK, Creative Thinking

English: advanced comprehension, essay writing, narratives, and poetry appreciation

Science: acids & bases, nutrition, reproduction, motion, electric circuits

Maths: integers, algebraic expressions, linear equations, geometry, data handling

Social Science: Medieval history, Indian constitution, human environment, resources

Creative integration: infographics, story maps, project presentations

Weekly research assignments, quizzes, and interdisciplinary debates

AND MANY MORE THINGS TOO!

Rayasta Advantage:

Structured Rayasta's kit with all expert learning amenities at your home

Personalized teacher-parent meetings and feedback sessions

Balanced academic rigor with creativity and self-expression

Practical projects and inquiry-based learning methods

Regular assessments with improvement-focused reports

R'S CODEVOYAGERS PROGRAM

Block-based programming (Scratch/Pictoblox) with multi-sprite logic and conditions

HTML & CSS: structured webpage building, formatting, and linking

Introduction to Python syntax and logic using simple code editors

Applied AI: basics of voice recognition, image classification, and chatbots

Understanding data flow, storage, and intro to cloud concepts

Ethics in tech: digital footprint, privacy, and AI bias

Build-your-own projects: quiz app, chatbot, digital portfolio

AND MANY MORE THINGS TOO!

Rayastrा Advantage:

Structured Rayastrा's kit with all expert learning amenities at your home

Personalized teacher-parent meetings and feedback sessions

Step-by-step exposure to modern tech stacks like Python, AI & Web Design

Enhances future readiness in coding, logic, and tech creativity

Includes offline practice worksheets, unplugged challenges, and fun builds

CLASS 7

R'S COMMUNICATORS PROGRAM

Grammar: clauses, active/passive, reported speech, modals, and prepositions

Composition: essays, speeches, dialogues, articles, descriptive writing

Comprehension: theme-based analysis, tone, and author perspective

Vocabulary enhancement through thematic word banks and etymology

Public speaking: debates, anchoring, formal discussion, oral storytelling

Listening and responding to speeches, interviews, and podcasts

AND MANY MORE THINGS TOO!

Rayastrा Advantage:

Structured Rayastrा's kit with all expert learning amenities at your home

Personalized teacher-parent meetings and feedback sessions

Builds academic and real-life communication mastery

Structured approach to improve fluency, expression, and writing skills

Regular practice and guided evaluation to ensure progress

R'S MATH MAGICIAN PROGRAM

Operations with integers, rational numbers, linear equations

Algebra: expressions, identities, and equation solving

Geometry: angles, triangles, congruence, constructions

Mensuration: area and volume of 2D/3D shapes

Data handling: bar graphs, probability, and mean/median/mode

Real-life application through budget planning, speed-time-distance problems

Mental math drills, number puzzles, and logic cards

AND MANY MORE THINGS TOO!

Rayastrा Advantage:

Structured Rayastrा's kit with all expert learning amenities at your home

Personalized teacher-parent meetings and feedback sessions

Strengthens accuracy and speed through concept-rich methods

Promotes deep understanding using real-life math models

Gamified activities and math manipulatives for practice and clarity

CLASS 7
