

# RAYASTRA'S SCHOLAR PROGRAM

Core subjects: English, Hindi, Maths, Science, Social Science, Creative Integration

English: advanced grammar, literature analysis, long-form writing, comprehension

Science: atoms & molecules, motion, tissues, laws of motion, gravitation, work & energy

Maths: polynomials, coordinate geometry, linear equations, triangles, circles

Social Science: India's past, democratic politics, contemporary economics, geography

Subjective + objective mock tests, diagrams, and project-based presentations

Time management tips, revision packs, and concept flowcharts

AND MANY MORE THINGS TOO!

**Rayasta Advantage:**

Structured Rayasta's kit with all expert learning amenities at your home

Personalized teacher-parent meetings and feedback sessions

Board exam foundation + smart learning tools to reduce study stress

Weekly progress tracking and concept-specific support

Combines school prep, revision, and skill enhancement

# R'S CODEVOYAGERS PROGRAM

Full-stack basics: HTML, CSS, JavaScript — create your own blog or quiz site  
Python [Class 9-level]: loops, functions, conditionals, dictionaries, modules  
AI and ML simplified: image sorting, pattern detection, intro to models  
Data Science foundations: visualizing datasets, charts, tables  
Hands-on project: weather app, chatbot, or portfolio website  
Cyber security essentials: safe passwords, phishing, digital responsibility  
Career awareness: what coders, data scientists, and AI engineers actually do

AND MANY MORE THINGS TOO!

**Rayastrा Advantage:**

Structured Rayastrा's kit with all expert learning amenities at your home  
Personalized teacher-parent meetings and feedback sessions  
Industry-aligned tech skills (Python, Web Dev, AI) with fun project builds  
Enhances logic, creativity, and analytical ability for real-world readiness  
Blended learning approach: screen-light tasks + offline code boards

**CLASS 9**

# R'S COMMUNICATORS PROGRAM

Grammar: conditionals, transformation, formal/informal usage, editing tasks

Writing: articles, speech, story completion, reports, analytical paragraphs

Literature: theme, tone, character sketch, poetic devices, critical questions

Vocabulary builder: high-frequency words, topic-based lists, collocations

Public speaking: impromptu, formal speeches, literary discussion

Listening and note-taking: audio summaries, interviews, debate responses

AND MANY MORE THINGS TOO!

## Rayastrा Advantage:

Structured Rayastrा's kit with all expert learning amenities at your home

Personalized teacher-parent meetings and feedback sessions

Prepares for CBSE/ICSE formats while boosting public speaking and creative writing

Builds expression for both academic and real-world scenarios

Feedback-focused growth in fluency, style, and structure

# R'S MATH MAGICIAN PROGRAM

Number systems, polynomials, linear equations, triangles, and quadrilaterals

Coordinate geometry, circles, surface area & volume, statistics & probability

Real-world applications: speed-time-distance, bills, budgets, logical math

Exam prep worksheets with HOTS (High Order Thinking Skills)

Mental math strategies and time-bound solving sessions

Doubt-solving flashcards and visual kits for geometry

AND MANY MORE THINGS TOO!

## Rayastrा Advantage:

Structured Rayastrा's kit with all expert learning amenities at your home

Personalized teacher-parent meetings and feedback sessions

Concept-first learning for board-level clarity and speed

Builds confidence through self-assessments and revision support

Includes Olympiad practice sets and CBSE-style questions

CLASS 9
